Amendment

Hon. Assistant Commissioner of Patents
Washington, D.C. 20231

Sir:

In response to the Office Action dated September 5, 2007, please amend the above identified application as follows.

Please charge the fee for the one additional independent claim to deposit account 19-2179.

In the specification:

Replace the paragraph on page 11 lines 20-21
"Generally, the communication system method 300 follows consecutively numbered steps and communications starting at step 201 through and ending with step 221."
with
--Generally, the communication system method 200 follows consecutively numbered steps and communications starting at step 201 through and ending with step 221.--

Replace the paragraph on page 12 lines 3-9
"In the preferred embodiment of the present invention, different domain names in the URL address direct the HTTP requests from the client 101 to different content rules 123 in the switch 102. Preferably, the different domain names in the URL address identify the URL address as having different types. For example, a domain names in
